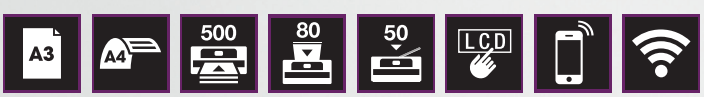
THE ALL-IN-ONE INKJET THAT REDEFINES
PRINTING FOR YOUR BUSINESS



INTRODUCING

THE **MFC-J5720DW**

REDEFINING OFFICE PRINTING FOR YOUR BUSINESS

Experience a new level of office printing with the MFC-J5720DW. Intelligent, fast, and more connected, it's the perfect choice to help raise your team's productivity. Take advantage of A3 printing to create high impact documents, while save on overheads through high capacity ink for low cost per print.

The MFC-J5720DW also includes features such as cloud connectivity and direct mobile printing – essential in today's fast-paced world.

Welcome to a new age of printing.

COST EFFECTIVE

Super high yield ink cartridges capable of printing up to 2,400 black and 1,200 colour prints, combined with other cost-saving features like 2-sided printing and ink save mode help to lower your total cost of ownership.

PROFESSIONAL

Ensure that your business is noticed with high quality A3 size printing. Two high capacity paper trays and a versatile rear paper tray offer your team the option to print what they want, when they want.

ENHANCED CONNECTIVITY

With built-in wireless and wired LAN, the cloud connected MFC-J5720DW ensures seamless collaboration between team members. Scan to and print directly from cloud services such as Dropbox, Evernote™, OneDrive and Google Drive to digitise paper-based content to share among your team in seconds.

MOBILE INTEGRATION

Agile businesses are constantly ahead when it comes to technology. With built-in support for mobile print and scan solutions, your team can print and scan anywhere, anytime. Brother's iPrint & Scan app provides seamless compatibility with Apple, Android and Windows devices, allowing you to improve productivity levels.

PRODUCTIVE

The MFC-J5720DW comes packed with a range of productivity solutions to help streamline your business. Fast print and scan speeds, paired with the two sided automatic document feeder help to quickly capture and share vital information

- 50 sheet, 2 sided automatic document feeder for duplex scan/copy/fax
- 9.3cm touchscreen colour LCD
- Wi-Fi & Ethernet network
- Print & scan from your smartphone or tablet

*ISO/IEC 24734

MFC-J5720DW Technical Specifications

A fully featured model in the Business Smart range of professional inkjet printers, the MFC-J5720DW is designed around increasing office productivity. A 2-sided, 50 sheet Automatic Document Feeder makes scanning, copying, and faxing fast and hassle-free. High yield ink cartridges, coupled with a paper capacity of 580 sheets ensure that the printer is always ready – allowing your team to focus on your business.

You can scan and share documents across your existing wired or wireless network, or print from your mobile devices through Brother's iPrint&Scan app, Apple Airprint or Google Cloud Print. You can also connect directly to the web from your printer to scan to; or print from, Google Drive, FLICKR®, Dropbox, PICASA™, OneDrive, Facebook, Box, EVERNOTE™ and OneNote.

The MFC-J5720DW is also able to print in A3 paper sizes, and in A4 at speeds of up to 22ipm (mono) and 20ipm (colour). This allows your business to present professional, high quality output without the wait, while high capacity ink cartridges print up to 2,400 pages help conserve resources without sacrificing on quality.

All Brother inkjet multifunction printers incorporate an ink system with four individual ink cartridges – meaning you only need to replace the ink that runs out – reducing waste and saving you money. The MFC-J5720DW is also compliant with strict ENERGY STAR, Blue Angel and Nordic Swan environmental standards to ensure low energy consumption, low noise levels and a recycle-friendly design.

GENERAL
