

HL-3140CW Technical Specifications

As an integral model in Brothers new LED colour range, the HL-3140CW is our smallest ever colour LED printer. Packed with new technology the HL-3140CW offers a wide range of features, designed with you and your business in mind, combined into a sleek, compact machine perfect for your office space.

The HL-3140CW embraces a range of new mobile features. Print directly from your mobile device with Apple AirPrint or Google Cloud Print™. Print speeds of up to 18ppm (colour and mono) mean you will not be kept waiting for your documents.

Reduce your total print costs: The HL-3140CW offers high yield colour toner cartridges, with yields of up to 2,200 pages for a lower cost per page, whilst maintaining high print quality for professional looking documents. All Brother Colour LED printers incorporate separate toners and drums, reducing waste and saving you money.

The HL-3140CW complies with the strict Blue Angel and ENERGY STAR environmental standards and ensures low energy consumption, low noise levels and a recycle-friendly design.
